

RED  DISK

Cassandra Ott

MIXED-MEDIA ARTIST

IT ALL STARTED... “My parents were super supportive. My dad was an architect, and my mom, whose background was in textiles, owned a weaving shop. They were always encouraging me to experiment and create, by providing me with many different materials and patterns. I attended the University of Cincinnati—Design Art Architecture Planning (DAAP School).”

TRUE GEMINI

Creative optimist and puzzle lover

INFLUENCE Henri Matisse

PERFECT DAY Aaron, Silas, coffee,
farmer’s market, picnic in the woods,
hiking and painting by a lake, glass
of bourbon with the sunset

*“I am always
thinking
about creating.
I’m drawn
to pattern,
making systems,
finding new
combinations.”*
