

RED  DISK

Jozef Bajus

MIXED MEDIA/FIBER ARTIST. DESIGNER.

IT IS SAID that nothing is new; everything has already been done. However, the traditional methods of creation can be moved into new dimensions by searching and experimentation. Experiment and chance fascinate me! Chance is almost always connected with some surprise element and many times it becomes the animating spirit of solving problems.

*Born on August 4
in Slovakia
Moved to Buffalo
in 2002*

Associate Professor & Coordinator of Fiber/
Design Program at SUNY Buffalo State

*“Nothing happens
twice, therefore
I search in spite
of the fact that
everything has
already happened”*

INFLUENCES Paul Klee, Eva Hesse,
Magdalena Abakanovic
PERFECT DAY wake up early, walk my
dog, be lost in the studio for hours, cookout
with Grace and wine, plan next project
